Dear John,

Enclosed you will find a check for \$[REDACTED]. The picnic committee agreed that you really went the extra mile for us at the picnic, rain and all.

While you reduced your rate for us to \$[REDACTED] for two hours, and we really appreciated it, you worked a lot longer. The committee discussed this at our wrap up meeting and felt it only fair to compensate you by at least giving you your regular fee. John, you really helped to make a gloomy day much more enjoyable with your balloon artistry. Lots of people noted on the surveys they sent back how their kids loved what you did. You were a big hit!

Again, thank you for being such a wonderful addition to our event. We all hope that you have continued success in your new venture and hope to see you next year.

Sincerely,

Vicque [REDACTED]
